Welcome to ESS

M U S I C A L I N E N G L I S H

What does ESS stand for? Eat Something Special?! Just kidding! Our ESS is English Speaking Society. In our club, we practice one musical program every year. For example, we have played The Prom, Highschool Musical, and we played Sound of Music last year. Sounds nice huh? If you join ESS, you can experience many amazing things! You can sing, act, dance, and even you can handle the lighting and sound operation.
